

BETTER CONVERSATIONS AT THE OKLAHOMA CITY NATIONAL MEMORIAL & MUSEUM

Join the Oklahoma City National Memorial & Museum as we launch *Better Conversations – Looking Back Thinking Forward*. This is the Memorial's 25th Anniversary gift, a way of giving back to our community for supporting the Oklahoma City National Memorial & Museum.

Krista Tippett, Founder and CEO of The On Being Project, will speak on the importance of civility in our daily interactions with one another and engage us in Better Conversations. Krista is an Oklahoma native and NPR host. **Friday's event is not open to the public.**

This program is underwritten by Bank of America.
